MIES HIGH TABLE,  
2017

The MIES High Table is available in heights of 900mm or 1000mm, and invites its users to a stand-up coffee meeting, or with barstools, to a relaxed exchange of creative ideas.

The frame 'grabs' the table top in the corners in a sophisticated way, making the table suitable for any interior design solution or style. Minimalist and industrial in form, the table is a perfect fit for cafés, restaurants or workplaces where there exists an ambition to create an informal, relaxed atmosphere.
